What is Connecting Families?

We are a group of people on our own journey. Through listening and sharing our stories, we seek to provide support for the families whose children are coming out to them and/or to their church. We are committed to maintaining confidentiality within the group, to providing a place to speak in safety or to remain silent, and to sharing in a non-judgmental atmosphere. As a group, we work to find ways to educate and engage our churches in dialogue and to help them understand and accept our families.

Plan now to spend the weekend
in the peace that is Camp Myrtlewood.
